

E-LINGUA Translation and Interpretation Agency

was established in 2007.

The company has an agreement with the Consular Department of the Ministry of Foreign Affairs of Bulgaria, which enables us to provide official translations and legalization services with regard to documents issued in Bulgaria or abroad.

All members of our team work in this field for more than 5 years.
And this makes us ... competent!

Our regular clients know they can always count on receiving quality translations within the deadlines set.

This is all about us. The rest is you!
